

## Current Events

### **Task:**

On \_\_\_\_\_ you are to give a current events PowerPoint to the class. Your report is to be no longer than 15 minutes and must include a bibliography. Please look for articles covering each of the following categories (you may not find an article on each category; just do your best):

- Constitutional Underpinnings
- Political Beliefs and Behaviors
- Institutions of Government (Executive, Legislative, Judicial, and Bureaucracy)
- Civil Rights and Civil Liberties
- Domestic Policy
- Foreign Policy
- International News
- Local News
- News of the Bizarre

### **Grading:**

In your PowerPoint, use appropriate pictures only to express prior knowledge of the subject.

Presentation dates will be randomly chosen.

If you know you're going to be gone during your time to present, you are responsible to change with someone else in class. The sooner the better.

If you fail to do so and miss your presentation day, you have one opportunity to make it up for half credit. Make your best effort to attend the day of your selected presentation day and be prepared.
